The Reliance Charity Foundation
Light of Light Consultants, LLC.

Barry E. Knighton, MSW
Founder & President
The Vineyard Foundation

Come Partner with Us!

Goal: \$8,000

Deadline: Friday, April 18, 2025

Mission Statement

Spreading God's love by providing leadership development and community training for non-governmental organizations and outreach to area schools by implementing programs that improve literacy.

Our Vision

Demonstrating Gods love through improving literacy, leadership, and educational initiatives.

Look at what you helped us accomplish for Ghana Mission 2024! We will check in with these projects for Ghana Mission 2025.

Leadership development through our annual teachers' summit held in the Volta Region with over 50 teachers in attendance

Constructing school desks for over 50 middle school students at Victoria World School in the West Legon Area in Accra

LEVEL ONE

Completed the Entrepreneurial Faith-Based School Project at Jerremmites International School in the West Legon Area in Accra

Teachers classroom supplies for over 100 teachers in the Kpoviadzi Village, Volta Region, and the West Legon Area in the Greater Accra Region, which included a teachers' appreciation dinner

LEVEL TWO

Health care access outreach to the village and widows included food, water, medicine, and hygiene items through the Reliance Charity Foundation

Food and supplies for homeless boys through the Starlight Foundation

Eye screenings and glasses for over 50 youth in the West Legon Area in the Greater Accra Region

LEVEL THREE

What are we doing this year?

Continuing teacher leadership development for an additional 100 teachers in the Kpoviadzi Village in the Volta Region, supplying teacher supplies

Completing the Kpoviadzi School Library and Literacy Project, which includes supplying paint, computers, desks, chairs, and books to serve 40-50 children daily with special thank you to Light of Light Consultants for supplying books

Launching the STEM Education Project for the children in the Kpoviadzi Village in the Volta Region, which will be year-round
